Customers read your stars before they call

In an India survey, 88% of people who look up a business on Google said they often read its reviews.

Your free report card

One page about your own listing, made before we meet.

- Your rating and number of reviews
- Reviews waiting for a reply
- The same figures for three businesses near you

Tap, scan, review

A stand at your counter. No app, no typing a link.

1. Your customer taps or scans the stand
2. Your Google review page opens on their phone
3. They write and post in their own words

demo.stablemerge.in/samples/review/

Open the page your customer would land on

What ₹999 covers

Stand and setup	**₹999** one-time
Each extra stand	**₹499** one-time

No monthly fee. Included free in all three plans. Taxes extra where applicable.

What we will not do

These get listings removed, so we refuse them.

- No paid or rewarded reviews
- No asking only the happy customers
- No reviews written for you
- No promised rating
