HOW IT WORKS

1. Your customer agrees at booking
2. The reminder goes out in the right week
3. You see who returned

WHAT WE NEED FROM YOU

- Your customer list with visit dates
- How often each service should repeat
- The wording of any offer

WHAT IS PROVEN, AND WHAT IS NOT

Only case studies from companies that sell this kind of service exist; there is no independent India study. So we count your returning customers every month and show you the number.

YOUR DATA

Messages go only to customers who said yes. Anyone can stop them with one word.
