# The same five questions, all day

Timings. Prices. Address. Is it available? Are you open? And at night, nobody answers at all.

# Message the sample shop

Send “Hi”. The greeting is automatic; each answer is a saved reply you send in two taps.

# What we set up in one visit

- Profile and hours
- Greeting and away message
- Saved replies
- Catalogue with prices
- Labels
- Counter QR

# Free app now, automation later

The free app covers all of this. Automatic booking and reminders need WhatsApp's paid platform, where each message has a fee; that is a separate plan.

# Price

Setup in one visit

**₹1,499**
one-time

No monthly fee. The WhatsApp Business app itself is free. Taxes extra where applicable.

# Next step

## Message us to fix a visit time.
